To be received by the Transfer Secretaries by no later than 12:00 on Friday, 9 December 2016.

The Transfer Secretaries will not be responsible for any loss and/or damage whatsoever in relation to or arising from the late or non-receipt of posted, delivered, faxed or emailed Forms of Instruction or owing to Forms of Instruction being forwarded to any other physical, postal, facsimile or email address other than those provided above. Forms of Instruction shall be deemed to be received on the date reflected in the Transfer Secretaries' electronic or facsimile systems. Notwithstanding anything to the contrary, it is each Shareholder's responsibility to ensure that their Form of Instruction is received by the Transfer Secretaries.

KAP and the Transfer Secretaries accept no responsibility and will not be held liable for any allocation of Entitlements pursuant to payment being made or alleged to have been made and where proof of such payment has not been received or purported proof of such payment being insufficient or defective for KAP together with the Transfer Secretaries, for any reason, not being able to reconcile a payment or purported payment with a particular application for Claw-back Shares.

If you are a renouncee, you may elect to receive your Claw-back Shares in Dematerialised form by providing the information requested in respect of your CSDP or Broker in Form E in the enclosed Form of Instruction.

In order to comply with recent legislative changes, the Claw-back Shares may only be issued in Dematerialised form. In this regard:

- a) Certificated Shareholders who wish to receive the Claw-back Shares allocated to them in Dematerialised form and who already have an account with a Broker or CSDP, will have their accounts at their Brokers or CSDPs credited with such Claw-back Shares (provided that they have provided their Form of Instruction, and have elected "Option 1" on Form E thereof, along with the relevant CSDP or Broker details, to the Transfer Secretaries on or before 12:00 on Friday, 9 December 2016 ; or
- b) Certificated Shareholders who wish to receive the Claw-back Shares allocated to them in Dematerialised form, but who do not have an account with a Broker or CSDP, will be issued with statements of allocation and will be required to appoint a Broker or CSDP so that Dematerialised Claw-back Shares can be made available to them following implementation of the Claw-back Offer (such Shareholders will be required to provide the statement of allocation to their Broker or CSDP as proof of their holdings), provided that such Shareholders have elected "Option 2" on Form E of their Form of Instruction and provided their Form of Instruction to the Transfer Secretaries on or before 12:00 on Friday, 9 December 2016; or
- c) Certificated Shareholders who do not wish to hold the Claw-back Shares allocated to them in Dematerialised form and prefer to hold their Claw-back Shares in Certificated form, will be afforded the option to "rematerialise" their Dematerialised Claw-back Shares and replace these with a physical Document of Title, provided that such Shareholders have elected "Option 3" on Form E of their Form of Instruction and provided their Form of Instruction to the Transfer Secretaries on or before 12:00 on Friday, 9 December 2016.

Certificated Shareholders should indicate which of the above applies when completing the Form of Instruction. Should a Certificated Shareholder contemplated in paragraph (a) above fail to provide the necessary Broker and CSDP account details and other information requested in the Form of Instruction, it will not be possible to credit such Shareholder's account at its Broker or CSDP with the Claw-back Shares due to it, and such Shareholder will instead be issued with a statement of allocation.

Should you be a Certificated Shareholder –

- contemplated in paragraph (a) above and have provided your Form of Instruction to the Transfer Secretaries on or before 12:00 on Friday, 9 December 2016, then, subject to payment of the appropriate amount having been received, the Claw-back Shares allocated to you will be credited to your Broker or CSDP account on Monday, 12 December 2016; or
- should you be a Shareholder contemplated in paragraph (b) above, subject to payment of the appropriate amount having been received, the statement of allocation in respect of your Claw-back Shares will be posted to you, at your risk, on Monday, 12 December 2016; or
- contemplated in paragraph (c) above, and have provided your Form of Instruction to the Transfer Secretaries on or before 12:00 on Friday, 9 December 2016, then, subject to payment of the appropriate amount having been received, the share certificate for your Claw-back Shares will be posted to you, at your risk, on Monday, 12 December 2016.

Shareholders who wish to "rematerialise" their Dematerialised Claw-back Shares as provided for above and whose registered addresses in the Register are outside of the Common Monetary Area, or whose Share certificates are restrictively endorsed in terms of the Exchange Control Regulations, should refer to paragraph 3.9 of the Circular.

**If the required documentation and payment has not been received in accordance with the instructions contained in the enclosed Form of Instruction (either from the Shareholders or from any person in whose favour the Entitlements have been renounced) by 12:00 on Friday, 9 December 2016, then the Entitlement to those unsubscribed Claw-back Shares will be deemed to have been declined and will lapse.**

#### **ACTION REQUIRED BY DEMATERIALISED SHAREHOLDERS**

If you are a Shareholder and have Dematerialised your Shares, you will not receive a printed Form of Instruction and you should receive notification from your CSDP or Broker regarding your Entitlement in terms of the Claw-back Offer.

Your CSDP or Broker will credit your account with your Entitlement under the Claw-back Offer and will contact you to ascertain:

- whether you wish to follow all or some of your Entitlement in terms of the Claw-back Offer and, if so, to what extent;
- whether you wish your CSDP or Broker to endeavour to procure the sale of your Entitlement on the JSE on your behalf;
- whether you wish to renounce your Entitlement and if so, the details of the renouncee; or
- whether you wish for your Entitlement in respect of the Claw-back Offer to lapse.

CSDPs effect payment in respect of Dematerialised Shareholders on a delivery versus payment basis.

If you are a Dematerialised Shareholder and wish to follow your Entitlement in respect of the Claw-back Offer, you are required to notify your duly appointed CSDP or Broker of your acceptance of the Claw-back Offer in the manner and time stipulated in the custody agreement governing the relationship between yourself and your CSDP or Broker. If you are not contacted, you should proactively contact your CSDP or Broker and provide them with your instructions. If your CSDP or Broker does not obtain instructions from you, they are obliged to act in terms of the mandate granted to them by you, or if the mandate is silent in this regard, not to subscribe for Claw-back Shares in terms of the Claw-back Offer.

**KAP does not take responsibility and will not be held liable for any failure on the part of any CSDP or Broker to notify you of the Claw-back Offer and/or to obtain instructions from you to subscribe for the Claw-back Shares and/or to sell the allocated Entitlement and/or to renounce the allocated Entitlement.**

#### 5. INFORMATION ON KAP

##### 5.1 OVERVIEW AND NATURE OF BUSINESS

- 5.1.1 KAP is a diversified industrial group predominantly located in and focused on growth in strategic industry sectors. The Group focuses on delivering on its strategy of being a market leader in the industries it serves in a growing African market. KAP owns various businesses that are diversified across industries, market sectors, products and services in order to sustain consistent performance through business cycles. The Group is also diversified from a geographic perspective, with multiple locations in 13 African countries to balance macro-economic factors. During 2015, the group re-aligned its operating segments as follows:

###### 5.1.1.1 Diversified logistics

This segment comprises:

- 5.1.1.1.1 a contractual logistics division that designs, implements and manages supply chain, warehousing and logistics services, positioned to service the petrochemical, foods, mining and infrastructure, agriculture and specialised warehousing sectors; and
- 5.1.1.1.2 a passenger transport division that provides intercity, personnel, tourist and commuter transport services.

###### 5.1.1.2 Diversified industrial

This segment comprises:

- 5.1.1.2.1 an integrated timber division incorporating wood based panel manufacturing, forestry, sawmilling and pole production;
- 5.1.1.2.2 a chemical division that manufactures and distributes PET, primarily for the carbonated soft drinks packaging market, and various urea formaldehyde resins, for the panel industry;
- 5.1.1.2.3 an automotive division that manufactures and distributes automotive components used in new vehicle assembly and automotive accessories for the retail aftermarket; and
- 5.1.1.2.4 a bedding division that manufactures foam and inner spring mattresses, together with mattress fabric, polyurethane foam and various bedding components.

- 5.1.2 The Company continues to invest in established businesses, which provide high barriers to entry and enhance the group's quality of earnings in respect of sustainability, solid margins and cash generation.

##### 5.2 PROSPECTS

The Group remains focused on providing sustainable value to shareholders through three core objectives – to grow profitable revenue, to generate solid returns on capital employed and to maintain strong profit-to-cash conversion. These objectives are enabled and supported by five strategic drivers:

- Market leadership
- High barriers to entry
- Diversification
- Adding value through specialisation
- Leveraging from an African base

These drivers provide competitive advantage to the company and act as a guideline to direct strategy formulation and implementation by the Group.

Management continues to focus on optimising and expanding its existing operations and on growing its market share in all areas of operation. Management remains optimistic that these activities will provide a solid platform for continued growth of the group, despite the current challenging economic environment.

In the diversified logistics segment, certain key contracts were renewed during the year and a healthy volume of new contracts was secured, providing momentum for FY2017. It is expected that improved efficiencies and significantly

reduced costs resulting from the rationalisation of this division will result in further contract renewals, extensions and the procurement of additional contracts in the sectors within which the group operates. KAP acquired 100% of the equity and claims in Lucerne Transport Proprietary Limited ("Lucerne"), effective 1 September 2016. Lucerne's operations are complementary to those of Unitrans, specifically in terms of bulk liquid tanker transport of chemicals and edible oils. Subsequent to the year-end date, KAP entered into an agreement to acquire 23.09% of the issued ordinary share capital of Xinergistix Proprietary Limited ("Xinergistix") and thereby increased its shareholding to 51.4%. It is anticipated that the acquisition would become effective on 1 July 2016, subject to approval by Regulatory Authorities and other conditions precedent customary for transactions of this nature. Xinergistix is engaged primarily in line-haul work, but will provide some unique operating and infrastructure synergies to KAP. The passenger transport division, remains well positioned in terms of its modern and well-maintained asset base, diversification and strong cash conversion to sustain above average returns on capital employed and to competitively pursue expansion opportunities.

In the diversified industrial segment, the momentum of existing operations is expected to continue during FY2017. This will be supported by the acquisition of Autovest Limited and certain expansion projects implemented during FY2016. These projects include PG Bison's high-gloss line and the Woodchem paper impregnation plant. Certain key projects, including, among others, the expansion of the Hosaf PET operation, the upgrade of the PG Bison Piet Retief particleboard line and the construction of the new integrated bedding factory, are progressing on schedule. The Safripol Acquisition, concluded after 30 June 2016 and subject to certain conditions precedent, will expand the chemical division into the manufacture of polypropylene and high-density polyethylene.

Management remains focused on executing its strategy and ensuring that an adequate capital structure is maintained. The diversity inherent in the Group's earnings will continue to protect it against volatile trading conditions, and continued investment into operations and acquisitions done after year-end will support sustainable growth into the future.

The Group continues to pursue acquisition opportunities in accordance with its strategy.
