

# Understanding your **Dynamic Discounts** rewards percentages

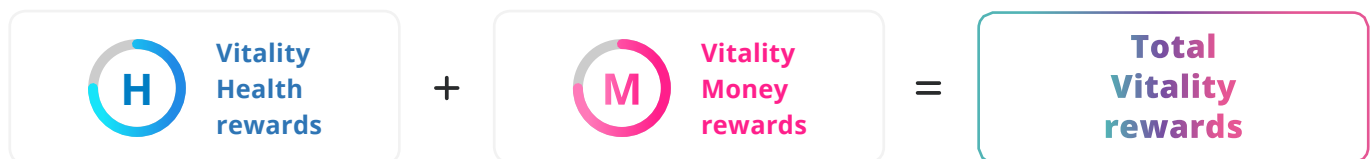

**Discovery Bank  
Gold Card Account**  
**Discovery Bank Gold Suite**

Your Dynamic Discounts are your **total Vitality rewards**, which consist of your Vitality Health and Vitality Money rewards combined.

£ rewards are awarded to you in Discovery Miles

R rewards are paid back to you as cash back

Discovery Bank clients with both Vitality Health and Vitality Money earn boosted Dynamic Discounts. Don't have Vitality Health? You'll still qualify for the Vitality Money portion of the total Vitality reward.

- H** You get **Vitality Health rewards** based on a combination of:
- Whether you have a Vitality Health membership
  - Your Vitality Health status
  - Whether you activate your benefits
  - Whether you have completed your Vitality Health assessments.

- M** You get **Vitality Money rewards** based on a combination of:

- Whether you have set up Vitality Money on the banking app
- Whether you have a qualifying Vitality Health membership (optional)
- Your Vitality Money status
- Whether you have a Discovery Bank Suite or a Discovery Bank Card Account
- Whether your account qualifies for rewards at the time of calculation
- Your qualifying Discovery Bank credit card spend.

## How **what you spend** affects your rewards

How much you spend each month is linked to your Vitality Money rewards. **Monthly spend** means any qualifying spend on your Discovery Bank credit card for that calendar month. It includes qualifying spend on additional and secondary credit cards.

### Travel benefits

For your **travel benefits**, we look at your **average monthly spend** over the previous rolling 12 months at the time of booking. If you haven't had a Discovery Bank credit card for that long, we'll look at your average monthly spend over the number of months you've already had your Discovery Bank credit card, with a minimum period required of three months. If you upgraded to Discovery Bank from a Discovery Card that was first issued before the launch of Discovery Bank, we'll include your spend history before upgrading.

### Know what spend qualifies towards your rewards

Your **qualifying spend** will include local and international straight and budget purchases that have been banked by the merchant, made online or in-store using your Discovery Bank credit card.

#### Transactions that don't qualify towards spend:

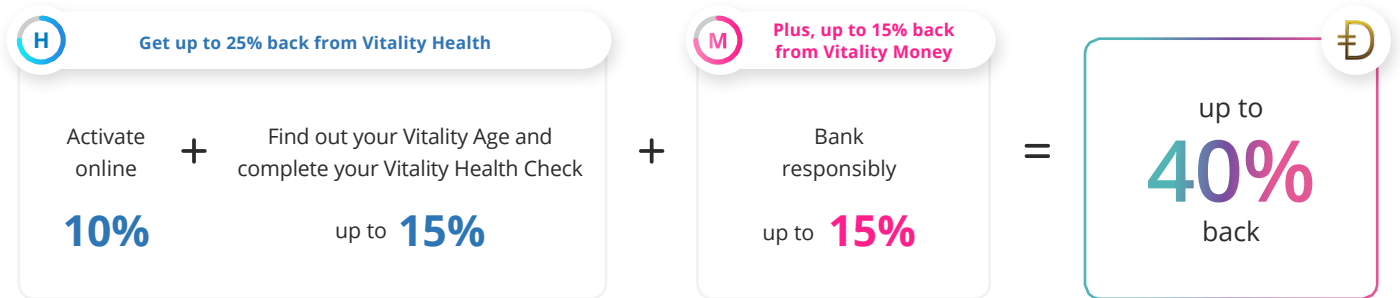

- Cash withdrawals
- Traveller's cheque purchases
- EFTs
- Debit orders
- Budget facility transfers
- Gambling transactions
- Health Banking transactions
- Discovery Pay transactions
- Any transaction with the Discovery Bank Transaction Account or Discovery Bank debit card

### How your Vitality Money status affects your rewards

Improve your Vitality Money status to unlock higher rewards. As your financial health improves, so will your Vitality Money status, and your rewards will increase.
